

## Make Smart Decisions...

Friday's US jobs growth was stronger than expected.

- The theme revolves around solid US jobs data there and the two other negative catalysts:

- Nifty Bulls keep on ignoring the US bond market's recession warning.
- Overbought technical conditions on daily charts.

- This week, commanding attention will be two big catalysts:

- RBI's interest rate decision to be wired on Wednesday, Dec 7th.
- All eyes will be on Gujarat Election Results with counting of votes will be taken up on December 8.

- Stocks in ban: GNFC, DELTA CORP, INDIABULLS HOUSING FINANCE.
